### One per Dealership

- Name the organization, add/delete team members, and control team member access level
- Have full control over the machine
- Must accept invite from customer for customer account to be connected with dealer account

### One per Farm

- Name the organization, add their preferred dealer, add/delete team members and control team member access level.
- Have full control over the machine

## TEAM MEMBERS

### Dealership Employees

- Must accept invite from dealer lead to join dealership organization
- View Only: Can see everything in organization
- Full Control: Can control any machines on dealer or associated customer accounts

### Farm Employees

- Must accept invite from farm lead to join farm organization.
- View Only: Can see everything in organization.
- Full Control: Can control any machines in farm organization.

# CREATE NEW USER

## NAME

This will be visible on a team member list and will also be shown when a user locks a machine.

## PASSWORD

Make this something memorable to avoid having to use the "forget password" feature.

## PHONE

For Dealer: This is the number your customers will input in their app to associate you as their dealer.

For Team member: This is the number that your organization lead will use to add you to their team.

## EMAIL

While optional it is recommended to provide an email address as a secondary form of communication.

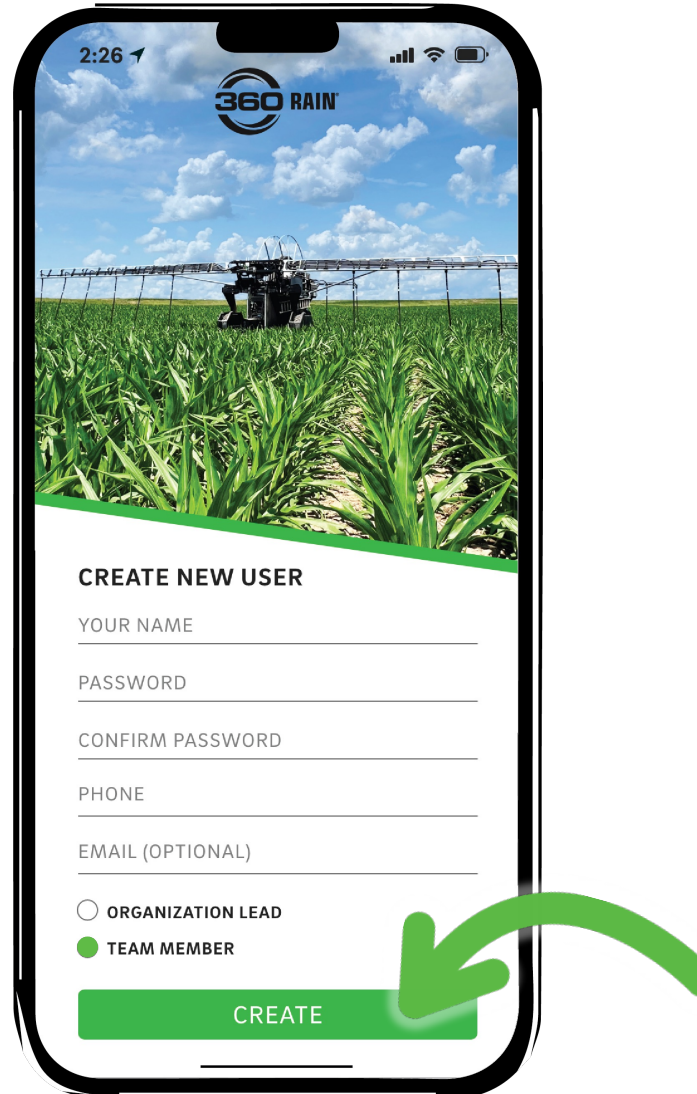

## ACCOUNT TYPE

### ORGANIZATION LEAD

One per organization. This person will add/delete team members and control access levels to machines.

### TEAM MEMBER

Everyone else who needs access to view or control machines for monitoring or service. The organization lead will control the access level of team members.

# VERIFY PHONE NUMBER

A text with a verification code will be sent to the phone number you provided.

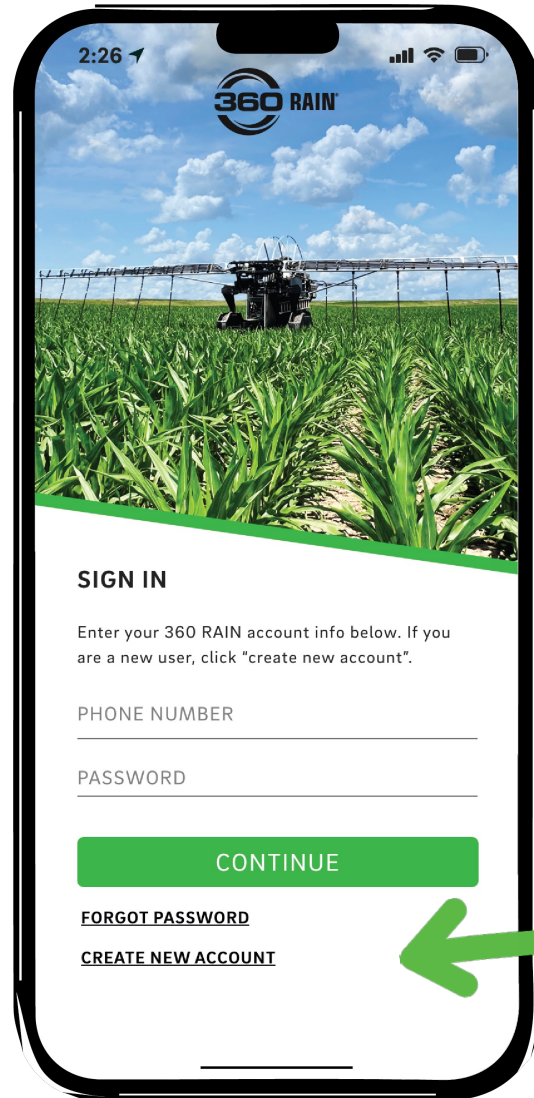

Open your 360 RAIN app and enter the verification code.

Tap "verify"

# CREATE NEW ACCOUNT - CUSTOMER

A smartphone screen displaying the 360 RAIN app's login interface. The top half of the screen features a background image of a large center pivot irrigation system in a green field under a blue sky with white clouds. The 360 RAIN logo is centered at the top. Below the image, the text "SIGN IN" is displayed. Underneath, a message reads: "Enter your 360 RAIN account info below. If you are a new user, click 'create new account'." There are two input fields labeled "PHONE NUMBER" and "PASSWORD". Below these is a green "CONTINUE" button. At the bottom, there are two links: "FORGOT PASSWORD" and "CREATE NEW ACCOUNT". A green arrow points from the text on the right towards the "CREATE NEW ACCOUNT" link.

# SET UP NEW ORGANIZATION - CUSTOMER

## ORGANIZATION NAME

This is the farm. It will display at the top of the screen when a specific machine has not been selected.

## DEALER

This is where customers will input the dealer phone number (must match the number used when dealer created their organization). An invite will be sent to the dealer to confirm the customer.

As soon as a dealer confirms they have access to the organization account just like the customer, allowing them to help complete the setup process and monitor/control the machine as needed.

DONE

## TEAM MEMBERS

Added by phone number (must match phone number entered by user when creating their own account). Access level is set here.

## DONE

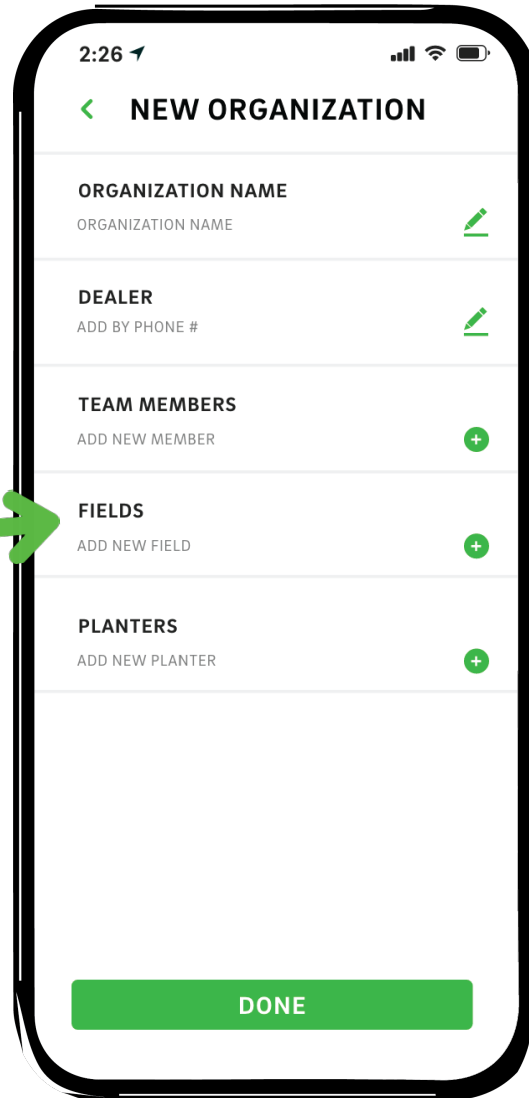

At this point you can tap the "DONE" button to save any progress made and you will return to main machine/planter list screen.

# FIELDS - CUSTOMER

## FIELDS

This is where fields are named, base stations, riser and remotes are provisioned and where surveys can be completed.

Most of the field setup process must be completed at the field with the dealer tool physically connected to the base station.

# FIELDS - CUSTOMER

SURVEY FIELD

DONE

## DEALER TOOL REQUIRED

To set up the base station, remote(s), and risers the base station must be installed in it's permanent location in the field and powered. A physical connection between the base station and the dealer tool is also required.

# MAIN MACHINE PAGE

## MACHINES

Each customer machine will have a card on this main screen that shows you the status.

Clicking on a card will take you to the screen for that machine.

## MY ACCOUNT

This icon will take you back to the organization settings screen where you can edit any settings for your organization.
